Important Information:

1. The purpose of this form is to **reserve** space, materials, etc. for your competitor(s).
2. This form should be completed and submitted by either 1) the chapter training a competitor; 2) the chapter-approved program training a competitor; 3) the member firm training a competitor; or 4) the member firm employing a competitor.
3. While there is no limit to the number of competitors a chapter, chapter-approved training program or member firm may send, certain competitions do have size limitations. Space reservations will be accepted on a first come-first serve basis with every effort to accommodate the maximum number of competitors possible.
4. Due to setup and material costs for each competition, which are calculated based on the number of space reservations submitted for each competition through the Intent to Compete Forms, it is the expectation of the National Craft Championships Committee that **once a space reservation for a particular competition is made, it will not be changed to another competition.**
5. You **do not** have to provide the name(s) of your competitor(s) at this time.
6. **Cost is a non-refundable \$225 per intended competitor and must be paid at the time the Intent to Compete Form is submitted.** Intent to Compete Forms will not be processed without accompanying payments.
7. Submit this form as soon as possible but **no later than February 3, 2012.** Intent to Compete Forms submitted after this date will not be accepted.
8. Although it is the National Craft Championships Committee's intention to conduct all advertised competitions, a craft skills competition may be cancelled if five or fewer spaces are reserved for a competition at the Intent deadline. In the event of a competition cancellation, the chapter/member firm contact person will be notified no later than February 15, 2012 and the \$225 Intent to Compete fee will be refunded.
9. If an intended competitor is unable to participate in the National Craft Championships, please notify Holly Burnett at 703/812-2040 or burnett@abc.org as soon as possible so the space can be reassigned.
10. **Deadline for submission of the Competitor Registration Form(s) as well as the Competitor Guest Registration Form(s) is March 5, 2012.**
